

Early Intervention Therapist (OT, PT, SLP)

Job Description:

Multicultural Rehab, Inc. (MRehab) is a small, minority owned business that has been working with the DC Early Intervention Program since the year 2000. Our team of professionals serve bilingual (Spanish/English) and monolingual (English) infants and toddlers and their families by providing direct services and assessments in their natural environment.

MRehab seeks a Speech Therapist, Occupational Therapist & Physical Therapist who are committed to servicing children with developmental disabilities, in natural environment settings. Position requires excellent communication (written/oral), interpersonal, scheduling skills and experience with the Zero-To-Three population. Flexible schedule and support for all administration tasks.

Responsibilities:

- Provide direct services using a coaching interaction style in order to support families to improve their child's capacity in daily routines, focusing on the child's interests and the family's IFSP outcomes.
- Provide assessments to all patients every six months, using a curriculum-based assessment system.
- Collaboration with a transdisciplinary team during monthly meetings.

Salary: \$80 - \$90 per hour

Job type: Full-time, Part-time, Contract

Location: Multiple Locations (all areas in the Washington DC area)

Contact: Abrahan Palmar, mrehab@mrehab.com, 301-754-2200

Qualifications:

Education: Bachelor's Degree (PT and OT) and Master's Degree (SLP)

License: DC Therapy License (Required)

Experience: 1 year in a pediatric setting (Preferred); new graduates are welcome.

Benefits: Only full-time employees eligible (negotiable based on experience and case load, may include continuing education opportunities, workers compensation insurance, paid sick leave, paid vacation, professional liability insurance, an allotment towards health insurance and relocation assistance)
